## BRIEF INTRODUCTION

---

Lingbo Yang received his Bachelor's Degree in Mathematics and Applied Mathematics at Peking University. Currently he is pursuing his Ph. D. career in Computer Application Technology at the Institute of Digital Media, Peking University, under the supervision of Prof. Wen Gao and Prof. Siwei Ma. His research interests are human pose and action modeling, human image/video generation, and conceptual coding.

## EDUCATION

---

**Peking University**

*Ph. D. Student, Video Coding Laboratory*

**Beijing, China**

*Sep 2016 - Now*

**Peking University**

*B. S. of Mathematics and Applied Mathematics*

**Beijing, China**

*Sep 2012 - Jun 2016*

**National Silver Price, Recommended for Admission by PKU**

*28th Chinese Physics Olympiad*

**Shaanxi, China**

*Nov. 2011*

## KEY SKILLS

---

**Programming Language** Python, Matlab, C++

**Deep Learning Framework** PyTorch, Tensorflow

**English Proficiency** GRE (158+170 in 2015)

## RESEARCH EXPERIENCE

---

## INTERN EXPERIENCE

---

*Some Place*

○ In construction

**somewhere on earth**

## AWARDS AND ACHIEVEMENTS

---

There will be.

## Publications

---
